MONFRAGÜE NATIONAL PARK
Biosphere Reserve

PARQUE NACIONAL MONFRAGÜE

ADVICES FOR VISITORS

- There is a Camping close to the National Park, in Malpartida de Plasencia, in the road from Villarreal de San Carlos to Plasencia. Free camping is not allowed in any other place.
- By using the litter bins, you contribute to maintain clean the Park. Please, do not forget to take your residues up to the nearest dustbin.
- Fire is very dangerous. Do not light any bonfire, and be extremely careful if you are smoker.
- By cutting or pulling up wild plants, you are preventing other people from enjoying its beauty.
- Getting out of the signposted roads is inadvisable, because you may get tired, and probably the tangle will obstruct your course.
- Being silent, you will be able to watch and listen wild animals, and also you avoid to disturb them.
- The equipments of the National Park has been provided to help the visitors. Please, make a good use, since many people will need them.
- Graffiting on walls, signals or other surfaces is a thankless behaviour which leave a bad memory of a visitor, and should be punished.
